CHAPTER TWO

SHARE CAPITAL - SHARES - SHAREHOLDERS

Article 5

Share Capital – Shareholders

1. The share capital of the Company currently amounts to ninety-five million seven hundred thousand euros (€95,700,000), divided into three hundred and nineteen million (319,000,000) registered and indivisible shares with a nominal value of 0.30 euros each.
2. Under Article 5 para. 1 of Presidential Decree 228/1999, the initial share capital of the Company was set at ten billion (10,000,000,000) drachmas, divided into one million (1,000,000) registered and indivisible shares with a nominal value of ten thousand (10,000) drachmas each. The Extraordinary General Meeting of Company shareholders of 15/12/2000 decided to reduce the nominal value of the existing shares from ten thousand (10,000) drachmas to one hundred (100) drachmas each, to increase the Company's share capital by twenty-one billion nine hundred million (21,900,000,000) drachmas and to issue two hundred and nineteen million (219,000,000) new registered shares with a nominal value of one hundred (100) drachmas each and to amend Article 5 of the Company's Articles of Association. This increase was implemented as follows:
 - a. The amount of 1,510,021,575 drachmas came from the mark-up arising from the inventory and valuation of the Company's assets of October 2000, which was carried out as specified in Article 5 para. 2 of Presidential Decree 228/1999;
 - b. The amount of 10,389,978,425 drachmas came from the capitalisation of profits carried forward; and
 - c. The amount of 10,000,000,000 drachmas came from the capitalisation of the Company's liabilities towards the Greek State and the issue of shares of an equivalent value for the benefit of the Greek State in execution of the agreement signed 15 December 2000 between the Greek State and the Company, which was entered into under Article 27, Para. 2 of Law 2843/2000.

Furthermore, following a decision of the Ordinary General Meeting of the Company's shareholders dated 26/06/2001, the share capital of the Company was increased by 709,775,000 drachmas through capitalisation of reserves from non-taxable revenue owing to an increase in the nominal value of each share from 100 drachmas to 102.225 drachmas in accordance with the provisions of Law 2842/2000 on the conversion of the nominal value of shares also to euros. Therefore, as a result of the increase in the share capital of 709,775,000 drachmas or 2,082,978.72 euros and in the nominal value of each share to 102.225 drachmas or 0.30 euros, the share capital of the Company stood at 32,609,775,000 drachmas or 95,700,000 euro, divided into 319,000,000 registered shares with a nominal value of 102.225 drachmas or 0.30 euros each. At the same time, Article 5 of the Articles of Association was amended in accordance with the decision of the General Meeting.

In addition, by virtue of a decision of the Ordinary General Meeting of the Company shareholders dated 06/06/2003, it was agreed that the share capital of the Company would be converted into euros alone in accordance with the provisions of Law 2842/2000. The share capital of the Company has thus since amounted to ninety-five million seven hundred thousand euros (€95,700,000), divided into three hundred and nineteen million (319,000,000) registered shares with a nominal value of thirty euro cents (0.30) each.

Article 6

Deadlines for Share Capital Payment and Certification of Payment

1. In the event of an increase in the share capital of the Company, the Board of Directors shall be required to convene in order to certify whether the share capital increase has or has not been paid. Such payment or non-payment must be certified by the Board of Directors within one (1) month of the expiry of the deadline for payment of the increase. No certification of payment is required if the share capital has not been increased through new contributions.

2. The deadline for the payment of the share capital increase shall be established by the body that took the related decision and may not be less than fifteen (15) days or more than four (4) months from the date such decision was taken.
3. Should such increase in the share capital be accompanied by an amendment to the relevant article on share capital herein, the deadline for payment of the share capital increase under the previous paragraph shall commence from the date the relevant decision was taken by the General Meeting of shareholders and may be extended for one (1) month by the Board of Directors. This one-month deadline shall not commence until said increase has been entered in the Register.
4. Within twenty (20) days of the expiry date of the deadline of paragraph 1 above, the Company shall be required to submit to the Greek Ministry of Development a copy of the minutes of the Board Meeting in question. Untimely payment of the share capital shall require the Board of Directors to take a decision to restore the share capital to the amount prior to the increase and amend these Articles of Association where the increase was accordingly effected by the end of the fiscal year within which such deadline for payment expired. Any breach of this obligation shall incur the penalties of Article 58a of Codified Law 2190/1920 as it is in force. The decision of the Board of Directors shall be subject to the publication formalities of Article 7b of Codified Law 2190/1920 as it is in force.
5. It is mandatory that cash payments to cover any increases in the share capital of the Company and shareholders' deposits intended to increase such share capital in the future should be effected through deposits in a special account of the Company, held in any bank legally operating in Greece.

Article 7

Shares and Share Transfers

1. The shares of the Company are dematerialised, registered and indivisible.
2. Registered shares may be converted into bearer shares and vice versa by means of a decision of the General Meeting of the Company shareholders following amendment to the article on shares herein.
3. Company shares shall be transferred by entering said transfer in the Securities Register in accordance with the provisions in force at such time. In case of registered

shares, the person entered in the Securities Register shall be considered a shareholder in relation to the Company.

Article 8

Increase in Share Capital and Pre-Emption Rights – Granting Options to Acquire Shares – Reducing and Amortising Share Capital

1. A decision by the Statutory General Meeting of Company shareholders shall be required in order to increase the share capital of the Company. Such increases shall constitute amendments to these Articles of Association.
2.
 - a. Without prejudice to Para. 4 of this article, it is explicitly stated that, by decision of the General Meeting (which is subject to the publication formalities of Article 7b of Codified Law 2190/1920 as it is in force), the Board of Directors may be granted such power as to increase, by means of a decision taken by at least a two-thirds (2/3) majority of all the members of the Board, the share capital, in part or in whole, by issuing new shares up to the amount of the share capital paid-up on the date such powers were granted to the Board of Directors.
 - b. Such powers granted to the Board of Directors may be renewed by the General Meeting for a time period of no longer than five (5) years for each renewal and which shall commence on the date the previous five-year period expires. Such decision by the General Meeting shall be subject to the publication formalities of Article 7b of Codified Law 2190/1920 as it is in force.
3. The increase in share capital as decided under Para. 2 of this article shall not constitute an amendment to these Articles of Association.
4. By way of exception to the provisions of Para. 2 of this article, when the reserves of the Company exceed one fourth (1/4) of the paid-up share capital, a decision by the Statutory General Meeting and a corresponding amendment to the article on share capital herein shall at all times be required before the share capital can be increased.
5. The decision by the Company's competent body to increase the share capital must state at least the amount of increase in the share capital, how such increase is to be covered, the number and nature of shares to be issued, the nominal value and

selling price of such shares, and the deadline for such coverage. The Statutory General Meeting that decides on an increase in the share capital may authorise the Board of Directors to make a decision concerning the selling price of the new shares or concerning the interest rate and how it is to be determined (for issues of shares with the right to receive interest) within a time period to be set by the General Meeting and which may not exceed one (1) year. In this case, the deadline for payment of the share capital under Article 6 herein and Article 11 of Codified Law 2190/1920 as it is in force shall commence from the date the Board of Directors takes such decision concerning the selling price of shares, the interest rate, or how it is to be determined, as applicable.

6. The share capital may be increased by issuing redeemable shares according to the terms and conditions of Article 17b of Codified Law 2190/1920 as it is in force. The Company, through its Board of Directors, shall declare the share redemption in accordance with the terms and procedure contemplated by the decision of the competent body that decides on the increase, and such redemption shall be valid only after the contribution has been reimbursed.
7.
 - a. For any increase in share capital, which is not effected through contributions in kind or the issue of bonds with the right of conversion to shares, a pre-emption right to the entire new capital or bonded loan shall be granted to shareholders existing at the time of such issue in proportion to their holdings in the existing share capital. Where the share capital is increased through contributions in kind or the issuing of bonds with the right of conversion into shares, the body that takes the decision may also determine that pre-emption rights shall also be granted in this case. In the event that the Company has issued shares of more than one category for which voting rights, the right to participate in profits or the distribution of liquidation proceeds differ, the share capital may be increased by means of shares of only one of such categories. In this case, the pre-emption right shall only be granted to shareholders of the other categories once the shareholders of the category to which the new shares belong have not exercised their rights.
 - b. The pre-emption right shall be exercised within the deadline set by the Company body that decided on the increase and in accordance with the more specific

provisions of Article 13 Para. 8 of Codified Law 2190/1920 as it is in force. Upon expiry of the specific deadlines of the afore-mentioned provision, any remaining shares shall be freely sold by the Board of Directors at a price no less than that paid by existing shareholders.

- c. The invitation to exercise said pre-emption right, which must also state the deadline within which said right must be exercised, shall be published in the SAs and Limited Companies Issue of the Government Gazette and on the Company website.
8. The pre-emption right may be limited or abolished by decision of the Statutory General Meeting and in accordance with the more specific provisions of Para. 10 of Article 13 of Codified Law 2190/1920 as it is in force. Should one part of the increase in the share capital be in cash and another through contributions in kind, it may be provided that any participant with contributions in kind has no pre-emption right to that part paid in cash under the terms and conditions of Article 13 Para. 11 of Codified Law 2190/1920 as it is in force.
9. By decision of the Statutory General Meeting, a scheme may be initiated for selling shares to members of the Board of Directors and to the staff of the Company as well as of its affiliates (Article 42e, Para. 5 of Codified Law 2190/1920 as it is in force) in the form of options to acquire shares under the terms and conditions of Article 13 Paragraph 13 of Codified Law 2190/1920 as it is in force. Furthermore, by decision of the Statutory General Meeting, the Board of Directors may be authorised to initiate said scheme for selling shares under the terms and conditions of Para. 14 of Article 13 of Codified Law 2190/1920 as it is in force.
10. The Company may reduce or wholly or partially amortise its share capital by decision of the Statutory General Meeting and under the more specific terms and conditions of Article 4, Para. 3e and Article 15a respectively of Codified Law 2190/1920 as it is in force.

Article 9

Rights and Obligations of Shareholders

1. Shareholders shall exercise their rights in relation to the management of the Company only by participating in the General Meeting and outside of the latter

only in such cases as expressly specified by law.

2. The legal holder and owner of each share shall assume the rights and obligations relating thereto. Furthermore, holding said share implies ipso jure acceptance of these Articles of Association and of the decisions taken by the General Shareholder Meeting and the Board of Directors within their jurisdiction.
3. The Company shall regard its shares as indivisible and recognise one sole holder per share. Any pro indiviso joint holders of a share as well as those who own a usufruct right in or hold the bare ownership of such share shall be represented at the General Meeting by a sole person, unanimously appointed by them.
4. Where a share is not represented by one person as the common representative of all beneficiaries, the Board of Directors shall be obliged to suspend all rights pertaining to that share.
5. Each share shall entitle its holder to one (1) vote at the General Meeting and to participation in the Company's profits and property in case of liquidation.

If the Board fails to convene a General Meeting within twenty

(20) days of the service of the request being submitted, the applicant shareholders shall call the meeting at the Company's expense, by decision of the One-Member Court of First Instance of the Company's registered offices, which shall be issued pursuant to interlocutory injunction proceedings. Following a request by shareholders representing one twentieth (1/20) of the paid-up share capital, the Board shall be required to add additional issues to the agenda of a General Meeting already called, if said request is received by the Board at least fifteen (15) days prior to such General Meeting. The request for the inclusion of additional items on the agenda shall be accompanied by an explanatory report or by a draft decision to be approved by the General Meeting. The revised agenda shall be published in the same manner as the former agenda, thirteen (13) days prior to the date of the General Meeting and, at the same time, it shall be made available to shareholders on the Company's webpage, along with the explanatory report or the draft decision submitted by the shareholders as per article 27, paragraph 3 of Codified Law 2190/1920. 3. Following a request by shareholders representing one twentieth (1/20) of the paid-up share capital, the Chairman of the General Meeting shall be required to postpone once only the taking of any decisions by the Ordinary or Extraordinary General Meeting for all or certain issues, establishing the date for continuing such meeting as indicated in the shareholders' request. Said date may not, however, be more than thirty (30) days after the postponement. The postponed General Meeting shall be a

continuation of the previous meeting and publication formalities need not be repeated, while new shareholders may participate therein pursuant to the provisions of articles 27 paras. 2 and 28 of Codified Law 2190/1920, as is in force, as well as of these Articles.

4. Following a request submitted by any shareholder to the Company at least five full (5) days prior to the General Meeting, the Board shall be obliged to provide the General Meeting with the specific information requested in respect of the Company's affairs, to the extent that such information is useful for the actual evaluation of the issues of the agenda. The Board of Directors may provide a single answer to requests from shareholders having the same content. There is no obligation to provide information when the information in question is already available on the Company's webpage, especially in the form of questions and answers. Moreover, at the request of shareholders representing one twentieth (1/20) of the paid-up share capital, the Board shall be required to inform the General Meeting, where such Meeting is an Ordinary one, of the amounts paid to each Board member or the Company Managers over the last two years, as well as any allowance to such persons for any cause or in connection with any agreement of the Company with them. In all of the afore-mentioned cases, the Board may refuse to provide such information for a sufficient material reason, which shall be quoted in the minutes. Such reason may be, depending on the circumstances, the representation of the applicant shareholders in the Board pursuant to article 18 paras. 3 or 6 of Codified Law 2190/1920, as is in force.
5. At the request of shareholders representing one fifth (1/5) of the paid-up share capital to be submitted to the Company at least five (5) full days prior to the General Meeting, the Board shall be required to provide said General Meeting with information regarding the course of the Company's affairs and its financial position. The Board may refuse to provide such information for a sufficient material reason, which shall be recorded in the minutes. Such reason may be, depending on the circumstances, the representation of applicant shareholders on the Board pursuant to article 18 paras. 3 or 6 of Codified Law 2190/1920, as is in force, provided the respective Board members have received the relevant information in an adequate manner.

6. In cases as per paras. 4 and 5 hereof, any contestation as to whether the grounds for refusing to provide such information are justified shall be settled by the competent One-Member Court of First Instance at the Company's registered offices pursuant to the interlocutory injunctions proceedings. By the same decision, the Court shall require the Company to provide the information refused.
7. At the request of shareholders representing one twentieth (1/20) of the paid-up share capital, any decision on any issue on the agenda of the General Meeting shall be taken by roll-call vote.

The blocking of such shares, pursuant to the as currently in force, or the production of a certificate issued by the entity holding the appropriate transferable securities or the certification of the shareholder's capacity through a direct electronic connection between the entity and the Company shall constitute such proof.
9. Shareholders of the Company representing at least one twentieth (1/20) of the paid-up share capital shall be entitled to request from the Court that the Company be audited, such audit being ordered if acts violating statutory provisions or provisions of the articles of association or resolutions of the General Meeting are suspected. The audit request must be filed within three (3) years of the approval of the financial statements of the financial year in which the claimed acts were committed. Moreover, shareholders representing at least one fifth (1/5) of the paid-up share capital shall be entitled to request from the Court that the Company be audited, if the entire course of its affairs provides reason to believe that the Company's affairs are not being managed in a proper and prudent manner. In both the aforementioned cases, the one-member court of first instance of the place where the Company has its registered offices shall be the competent court, which hears the petitions according to ex parte proceedings. The requesting shareholders must prove to the court that they own the shares that entitle them to request a Company audit. The extraordinary audit provided for in this paragraph shall be conducted pursuant to the more specific provisions of article 40a of Codified Law 2190/1920, as it is in force.
